Sectors	Natural Resources and Mining · Capital Markets and IR · Industrial and Trade · SaaS and Growth Stage · Hospitality and Lifestyle

EXPERIENCE

Executive Partner
Jan 2026 – Present

Ignite Digital Partners

— Architects always-on communication ecosystems across web, content, social, lifecycle communication, and measurement that turn episodic visibility into compounding market confidence.

— Leads narrative positioning and stakeholder journey design for clients in Natural Resources, Capital Markets, and Growth Stage sectors, translating technical complexity into investor-grade clarity.

— Designs and deploys intelligence loops integrating dashboards, attribution, and sentiment reporting, converting performance data into decision-making advantage for leadership teams.

— Partners directly with C-suite to align brand positioning, IR communications, and digital channels into one coherent, measurable ecosystem.

Chief Marketing Officer
Oct 2024 – Jan 2026

Ignite Digital Partners

— Scaled full-funnel lead generation systems with CRM automation and paid campaign management across Google, Meta, and LinkedIn, driving consistent pipeline growth for client accounts.

— Improved client conversion rates through structured landing page testing, messaging optimisation, and audience segmentation.

— Directed multichannel campaign execution and cross-functional team alignment across marketing, sales, and business development.

— Built influencer partnership programmes and advanced social strategy that expanded brand reach and community engagement.

Business Development and Marketing

Jun 2021 – Sep 2024

Moovly (Praefidi Holdings) — SaaS Video Tech Platform

— Progressed from social media execution to owning campaign planning, content strategy, and digital growth initiatives across a SaaS platform.

— Developed and executed B2B lead generation campaigns combining email outreach, LinkedIn, and CRM workflows that supported pipeline and partner co-marketing goals.

— Secured key client orders by leading demos, creating sales enablement templates, and coordinating between marketing and business development.

— Managed multi-platform content, social media analytics, and email marketing, building measurable audience engagement.

— Produced video marketing, motion graphics, branded content, and animation workflows for the platform and its clients.

Director and Marketing Lead

Jan 2017 – Aug 2021

MaltaMove.com — Property and Lifestyle Platform

— Directed end-to-end digital marketing operations including SEO, paid search, social media, email, and web, growing brand visibility and customer acquisition over a four-year tenure.

— Designed and managed Google Ads and organic search campaigns that improved traffic quality and reduced cost-per-lead.

— Built and maintained the company website, producing all content, design, and daily updates to ensure consistent brand experience.

— Created email marketing programmes that improved customer retention and generated repeat lead volume.

— Managed social media marketing and property campaigns across Facebook and digital channels.

Marketing Coordinator

Nov 2019 – Jun 2020

Mayfair Laser Clinic

— Managed social media operations, email campaigns, and paid search performance, contributing to client acquisition and retention.

— Produced marketing materials and graphics that maintained brand consistency across digital touchpoints.

— Managed social media presence and Wix website, driving audience growth and appointment bookings.

Digital Marketing Intern

Jun 2020 – Feb 2021

CB Content Creators

— Created content for client accounts, analysed Google Ads performance data, and supported campaign management under senior direction.

CAREER HIGHLIGHTS

— Founded and built Ignite Digital Partners into a specialist strategic communications firm serving Capital Markets, Natural Resources, and Growth Stage clients across EU, UK, and North America.

— Developed the IDP Ignition Loop, a proprietary four-stage ecosystem model (Clarity, Activation, Growth, Insight) that differentiates client engagements and has been adopted as the firm's core methodology.

— Co-founded Ezsy Webs, an AI-powered website platform for agencies, delivering URL-to-redesign pipelines that accelerate pitch-to-close cycles.

— Established a track record across 9+ years of progressive digital marketing leadership, from hands-on execution to firm-level strategy and product development.

— Built and operated marketing infrastructure for companies ranging from early-stage ventures to TSX-V and ASX-listed public companies navigating investor credibility challenges.

— Delivered brand transformations, investor communications, and growth systems for 13+ clients across Natural Resources, Capital Markets, SaaS, Industrial, and Lifestyle sectors.
